Hundreds of letters from thinking people in the United States and Canada warrant us in adopting this plan. Write for particulars. The New Palestine tract is, without any exception, the finest in or to Phoenix. Its assessed valuation in 1898-9 was \$22,500, (and this alone is the true test of land values). It lies in the very heart of the manufacturing and resident district, viz. on Center street, First, Second. Third, Fourth, Fifth, Sixth and Seventh avenues, and is the only sanitary sewered tract in or to the city. Vacant lots, 50x130, are still offered at \$65 to \$200 each, monthly installments \$5 to \$10, without interest. The New Palestine tract in the daily press, so that he who reads can know for himself without the aid of the Phoenix curbstone real estate or commission man, to which our office pays no tribute. P.
